

# **Cooper is the Wrong Choice for US Senate**

**What you need to know about  
former NC Governor Cooper**

***His Actions Speak Louder than His Words***

**Cooper is trying to  
rewrite his history,  
but his record in  
NC is clear.**

## **Cooper**

- Opposed balanced budgets
- Supported raising taxes
- Vetoed four teacher pay raises
- Closed businesses
- Needlessly kept children out of school
- The elderly died in nursing homes alone
- Sided with left-wing interests over families and small businesses
- Refused to stand up for women and girls in bathrooms and sports
- Promoted the interests of criminal illegal aliens over the safety of our citizens
- Hurricane relief was bogged down in red tape leaving people homeless
- Pardoned violent criminals - commuted sentences of 15 convicted killers on death row
- Will work against President Trump
- Supports gender mutilation surgeries for kids
- Arrested demonstrators for opposing his Executive Orders
- He vetoed 104 bills- almost three times the total of all other governors combined including:
  - Parents' Bill of Rights
  - Requiring Cooperation with ICE Detainers
  - Remove Foreign Citizens from Voter Rolls
- Supported the Elimination of Cash Bail leading to  
the senseless murder of Ukrainian refugee Iryna Zarutka on a Charlotte subway train
