

What's at Risk in 2026

Democrats plan to . . .

- Reverse President Trump's **Executive Orders**
- Flood the US with **illegals** & allow them to vote
- Eliminate the **Electoral College** so NY & CA will control elections
- **Nationalize** elections
- Washington DC & Puerto Rico become **states** = +4 DEM Senate seats, preventing a Republican majority
- Eliminate the **filibuster**, giving one party unchecked power to pass any law they want
- Add more **activist judges** at all levels, especially the Supreme Court +4 DEM judges
- **Defund** federal law enforcement, target & imprison ICE agents
- **Investigate** businesses & colleges that cooperate with President Trump
- **Normalize** Communism, Marxism, child mutilation (transgenderism), LGBTQ+, violent riots & crime
- Limit freedom of **speech**, In favor of censorship & political correctness
