

Knightdale Parks and Recreation Bond Referendum

Knightdale is growing, and our community deserves a place to grow together. The Knightdale Parks and Recreation Bond would fund a worldclass recreation complex with multiple gymnasiums, fitness studios, and multi-generational programming spaces. Residents will have the opportunity to vote on this bond this fall. We encourage everyone to learn more about what's proposed and make their voice heard.

The “For Everyone” Community Center will be a landmark we pass on to future generations.

The new park will be located at 2004 Marks Creek Road Knightdale, NC 27545.

The Community Center consists of

- 3 Gym courts, an indoor stage, walking track
- 5 Multi-purpose rooms
- 2 Fitness studios
- Warming kitchen
- Administrative suite
- Capacity for new multi-generational recreation programs
- New options for senior programming
